

## Environmental Manager

Location: Manchester  
Hours: Full time  
Contract: Fixed term – 12 months  
Salary: A package of up to £25,000 depending on experience

Carbon Smart is a fast growing team focused on practical solutions for carbon, energy and sustainability management in the business environment. We have developed an impressive and loyal client list over the last few years and have delivered a wide range of carbon, energy and sustainability projects.

We are a dynamic, entrepreneurial team committed to working hard to achieve our goals whilst enjoying ourselves along the way. Our team is once again expanding and we are looking for an environmental manager to help deliver our EU funded SME support programme throughout the north-west of England. The Environmental Manager will:

- Recruit businesses to the programme
- Carry out on site environmental surveys of business premises
- Conduct data analysis and carbon footprint calculations
- Write client reports
- Advise businesses on carbon management, environmental best practice and employee engagement.
- Run workshops and promotional events

We think this is a great and rewarding challenge for the right person.

### You

An outgoing and confident person, you enjoy meeting new people and learning about new businesses. You are able to get along with people and form lasting, effective relationships with them. You are organised in your work, tenacious and ambitious. You like a challenge and want an opportunity to personally make a difference for our clients and in our business. You have strong communication skills both written and in presentations. You are passionate about the environment and have made changes in your own life to reflect this.

To apply please send us an up to date CV and a covering letter explaining why you think the job is a good opportunity for you and why you are the right candidate. Please submit your application by **9am 27<sup>th</sup> February 2012**. If you have any questions or would like to discuss your application contact us at [recruit@carbonsmart.co.uk](mailto:recruit@carbonsmart.co.uk).

*We thank all who apply and will be in touch if you are shortlisted.*
